Summer Adventures Camp Scholarship Eligibility information

To qualify for a Wilcox scholarship, you must be the parent/guardian of the child who would like to attend our summer program and the child must not have received a Wilcox scholarship previously. Only one scholarship will be awarded per family, per summer. A student can receive a Wilcox scholarship only one time. All applicants that meet the requirements will be considered. To honor the person for whom the fund was created, preference may be given to the children of teachers.

Note: Due to the museum's mandated closure this year, we are unable to adhere to a scholarship deadline or provide much notice in our responses to applicants. For 2020, scholarship requests will (1) only be accepted by email (teachers will need to submit on digital letterhead), and (2) considered in the order in which they were received. Staff will respond to all requests as soon as possible, and appreciate your understanding.

To apply:

1. Complete a **Summer Adventures Scholarship Application Form** with **Summer Adventures Waiver**.
2. In a letter, please articulate your need in 200 words or less and return with the **Summer Adventures Scholarship Application Form** with **Summer Adventures Waiver**. *Note:* If you are a teacher, your letter must be submitted on the letterhead of the school where you are currently employed, and returned with form mentioned above.
